ABOUT THE PROGRAMME

This Course provides the students with the steps in the process of litigation with an examination of the entire process of a civil suit. This is an introductory level course and no prior knowledge of law or the litigation process is required. This course will help the candidates to get into the basics of Civil Law and strategies that can be followed to establish a successful litigation career.

WHAT WILL YOU LEARN?

- Get an idea of drafting work in connection with civil cases
- Learn about the emerging areas in the civil law practice
- Learn what are the various stages of a civil suit
- Learn how to collect evidence and how to present them correctly in the court of law
- Ethical questions and morals for civil practice

WHO CAN BE A MENTEE?

1. Law students who want to work in the Civil Sector.
2. Young lawyers who wanted to make a career in civil law.
3. Lawyers looking to build civil litigation practice.
4. In-House Lawyers who often deal with civil litigation or outside litigators.
5. Associates working with a law firm to brush-up their basics of civil law.
